Section 1 – Introduction

This directory provides a list of CHRISTUS Health Medicare Guardian (HMO)'s network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. The PCP you select will be your personal physician, who will get to know you and take care of all your medical needs. Your PCP will be responsible for coordinating all of your care, except in emergency or urgent care situations. Coordinating your care includes checking or consulting with other plan practitioners and providers about your care.

We recommend you choose a PCP close to your home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship with your PCP that much easier.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. CHRISTUS Health Medicare Advantage does not require referrals.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CHRISTUS Health Medicare Guardian (HMO) will be responsible for the costs.
