## **¿Puede cambiar el Formulario (lista de medicamentos)?**

La mayoría de los cambios en la cobertura de los medicamentos ocurre el 1 de enero, pero se podrían agregar o quitar medicamentos de la Lista de medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones por parte de CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO). Debemos seguir las normas de Medicare al hacer estos cambios.

**Cambios que pueden afectarlo este año:** En los casos a continuación, usted se verá afectado por los cambios de cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca de nuestra Lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o en un nivel de costo compartido más bajo y con las mismas restricciones o menos. Además, cuando agreguemos el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero inmediatamente moverlo a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, quizás no le informemos con antelación antes de que realicemos el cambio, pero más adelante le proporcionaremos información sobre los cambios específicos que hemos realizado.
  - Si realizamos un cambio, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada “¿Cómo puedo solicitar que se haga una excepción al Formulario de CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO)?”.
- **Medicamentos retirados del mercado.** Si la Administración de Drogas y Alimentos considera que un medicamento de nuestro Formulario es inseguro o el fabricante del medicamento lo retira del mercado, eliminaremos de inmediato dicho medicamento de nuestro Formulario y les notificaremos a los miembros que toman el medicamento en cuestión.
- **Otros cambios.** Podemos hacer otros cambios que afectan a los miembros que actualmente toman un medicamento. Por ejemplo, podríamos agregar un nuevo medicamento genérico para reemplazar un medicamento de marca que actualmente se encuentra en el Formulario; o agregar nuevas restricciones al medicamento de marca o moverlo a un nivel de costo compartido diferente o a ambos. O podemos hacer cambios en función de las nuevas pautas clínicas. Si retiramos medicamentos de nuestro Formulario, [o] agregamos autorizaciones previas, restricciones de límite de cantidad o de tratamiento escalonado sobre un medicamento o pasamos un medicamento a un nivel de costo compartido más alto, debemos notificarles a los miembros afectados por el cambio al menos 30 días antes de que entre en vigencia dicho cambio, o cuando el miembro solicite un resurtido del medicamento, momento en el cual el miembro recibirá un suministro del medicamento para 31 días.
  - Si realizamos estos otros cambios, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento de marca para usted. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción, y usted también puede encontrar información en la sección a continuación titulada “¿Cómo puedo solicitar que se haga una excepción al Formulario de CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO)?”.

**Cambios que no lo afectarán si actualmente toma el medicamento.** En general, si usted toma un medicamento de nuestro Formulario para 2023 que estaba cubierto al comienzo del año, nosotros no discontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura de 2023, excepto como se describe anteriormente. Esto significa que, por el resto del año de cobertura, estos medicamentos continuarán disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que estén tomándolos. No recibirá un aviso directo este año sobre cambios que no lo afectan. Sin embargo, dichos cambios lo afectarían a partir del 1 de enero del año siguiente, y es importante que verifique la Lista de medicamentos del nuevo año de beneficios por cualquier cambio en los medicamentos.

El Formulario adjunto entra en vigencia el 12/01/2023. ## **¿Cómo utilizo el Formulario?**

Hay dos formas para encontrar su medicamento dentro del Formulario:

### **Afección médica**

El Formulario comienza en la página 8. Los medicamentos de este Formulario están agrupados en categorías según el tipo de afección médica para cuyo tratamiento se los emplea. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran dentro de la categoría Antihypertensive Therapy. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que empieza en la página 10. Luego, busque su medicamento debajo del nombre de la categoría.

### **Listado alfabético**

Si no está seguro de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 105. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. En el Índice, están tanto los medicamentos de marca como los genéricos. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información acerca de la cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

## **¿Qué son los medicamentos genéricos?**

CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por la Administración de Drogas y Alimentos (FDA), dado que se considera que tiene el mismo ingrediente activo que el medicamento de marca. Normalmente, los medicamentos genéricos cuestan menos que los de marca.

## ¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos y límites pueden incluir.

- **Autorización previa:** CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) exige que usted [o su médico] obtenga una autorización previa para determinados medicamentos. Esto significa que necesitará contar con CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) antes de obtener sus medicamentos con receta. Si no obtiene autorización, es posible que CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) limita la cantidad del medicamento que cubrirá CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO). Por ejemplo, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) proporciona 31 por receta para AFINITOR. Esto puede ser complementario a un suministro estándar para un mes o tres meses.
- **Tratamiento escalonado:** En algunos casos, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) requiere que usted primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) cubrirá el medicamento B.

Para averiguar si su medicamento tiene requisitos o límites adicionales, consulte el Formulario que empieza en la página 8. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado en línea un documento para explicar nuestra restricción de autorización previa. También puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la portada posterior.

Puede pedirle a CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) que haga una excepción a estas restricciones o límites, o puede solicitarle una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección “¿Cómo puedo solicitar que se haga una excepción al Formulario de CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO)?” en la página 6 para obtener información acerca de cómo solicitar una excepción.

## **¿Qué pasa si mi medicamento no está en el Formulario?**

Si el medicamento que toma no está incluido en este Formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para los miembros y preguntar si su medicamento está cubierto. Este documento incluye solo una lista de los medicamentos cubiertos, por eso es posible que CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) cubra su medicamento. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la portada posterior.

Si resulta que CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) no cubre el medicamento que toma, tiene dos alternativas:

- Puede pedir a Servicios para los miembros una lista de medicamentos similares que estén cubiertos por CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO). Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO).
- Puede solicitar que CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

## **¿Cómo puedo solicitar que se haga una excepción al Formulario de CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO)?**

Puede solicitarle a CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que puede solicitarnos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá pedirnos que le brindemos el medicamento a un nivel de costo compartido menor.
- Puede pedirnos que cubramos un medicamento del Formulario a un nivel de costo compartido menor, a menos que el medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría el monto que debe pagar por su medicamento.
- Puede pedirnos que no apliquemos restricciones o límites de cobertura para su medicamento. Por ejemplo, para ciertos medicamentos, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que hagamos una excepción al límite y cubramos una cantidad mayor.

Por lo general, CHRISTUS Health Plan Generations (HMO)/CHRISTUS Health Plan Generations Plus (HMO) solo aprobará su pedido de excepción si los medicamentos alternativos incluidos en el Formulario del

plan, [el medicamento de menor costo compartido] o las restricciones de uso adicionales no fueran tan efectivos para tratar su afección o pudieran causarle efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión inicial de cobertura para una excepción al Formulario, nivel, o a la restricción de uso. **Cuando solicita una excepción al Formulario, o a la restricción de uso, debe presentar una declaración de su médico o de la persona autorizada a dar recetas que respalde su solicitud.** Por lo general, debemos tomar una decisión dentro de las 72 horas a partir de la fecha de haber recibido la declaración que respalda su solicitud por parte de la persona autorizada a dar recetas. Puede solicitar una excepción acelerada (rápida) si usted o su médico consideran que esperar 72 horas para la toma de la decisión podría perjudicar gravemente su salud. Si se le concede el trámite rápido de la excepción, debemos comunicarle nuestra decisión a más tardar dentro de las 24 horas después de haber recibido la declaración de respaldo de su médico o de otra persona autorizada a dar recetas.

### **¿Qué debo hacer antes de hablar con mi médico sobre el cambio de los medicamentos que tomo o la solicitud de una excepción?**

Como miembro nuevo o permanente de nuestro plan, es posible que esté tomando medicamentos que no están incluidos en el Formulario. También es posible que esté tomando un medicamento incluido en el Formulario, pero su capacidad de conseguirlo sea limitada. Por ejemplo, puede necesitar nuestra autorización previa antes de poder obtener su medicamento con receta. Debe consultar con su médico para decidir si debe cambiar su medicamento por uno apropiado que nosotros cubramos o solicitar una excepción al formulario para que le cubramos el medicamento que toma. Mientras evalúa con su médico el procedimiento adecuado para seguir en su caso, podemos cubrir su medicamento, en ciertos casos, durante los primeros 90 días en que usted sea miembro de nuestro plan.

Para cada uno de los medicamentos que no estén incluidos en el Formulario, o si su capacidad para conseguir los medicamentos es limitada, cubriremos un suministro temporal para 31 días. Si su receta está indicada para menos días, permitiremos que realice resurtidos por un máximo de hasta 31 días del medicamento. Después del primer suministro para 31 días, no seguiremos pagando estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no está en el Formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia del medicamento para 34 días mientras solicita la excepción al formulario.
