- **Copayments** are fixed dollar amounts (for example, $15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is $1,000, your **coinsurance** payment of 20% would be $200. This may change if you haven't met your **deductible**.
- With the exception of emergency services, coverage at Non-Participating Providers is not covered under this plan unless (1) a participating provider is not available in the service area and CHRISTUS grants approval for the member to use a Non-Participating Provider or (2) a member is at a participating facility and receives services from a Non-Participating Provider without knowledge or consent. In either of these two provided situations, the member would be billed as if they received care at a participating provider.
- The **Allowable Charge** is the amount that the plan has determined to be the maximum amount payable for a Covered Service. For Covered Services provided by Non-Participating Providers, the amount payable will be either a rate agreed upon by the plan and the Non-Participating Provider or based upon the plan's out-of-network fee schedule. The plan's out-of-network fee schedule is based on generally accepted industry standards and practices for determining the customary billed charge for a service, and fairly and accurately reflects market rates, including geographic differences in costs, and is consistent with nationally recognized and generally accepted bundling edits and logic. These Non-Participating Providers generally may not balance bill you for amounts not paid by the plan. If you receive a balance bill from a Non-Participating Provider, contact the plan.
