- Copayments are fixed dollar amounts (for example, $\$ 15$ ) you pay for covered health care, usually when you receive the service.
- Coinsurance is your share of the costs of a covered service, calculated as a percent of the allowed amount for the service. For example, if the plan's allowed amount for an overnight hospital stay is $\$ 1,000$, your coinsurance payment of $20 \%$ would be $\$ 200$. This may change if you haven't met your deductible.
- With the exception of emergency services, coverage at Non-Participating Providers is not covered under this plan unless (1) a participating provider is not available in the service area and CHRISTUS grants approval for the member to use a Non-Participating Provider or (2) a member is at a participating facility and receives services from a Non-Participating Provider without knowledge or consent. In either of these two provided situations, the member would be billed as if they received care at a participating provider.
- The Allowable Charge is the amount that the plan has determined to be the maximum amount payable for a Covered Service. For Covered Services provided by Non-Participating Providers, the amount payable will be either a rate agreed upon by the plan and the Non-Participating Provider or based upon the plan's out-of-network fee schedule. The plan's out-of-network fee schedule is based on generally accepted industry standards and practices for determining the customary billed charge for a service, and fairly and accurately reflects market rates, including geographic differences in costs, and is consistent with nationally recognized and generally accepted bundling edits and logic. These NonParticipating Providers generally may not balance bill you for amounts not paid by the plan. If you receive a balance bill from a Non-Participating Provider, contact the plan.
