Section 1 – Introduction

This directory provides a list of CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO)'s network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. The PCP you select will be your personal physician, who will get to know you and take care of all your medical needs. Your PCP will be responsible for coordinating all of your care, except in emergency or urgent care situations. Coordinating your care includes checking or consulting with other plan practitioners and providers about your care.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. CHRISTUS Health Medicare Advantage does not require referrals.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO) will be responsible for the costs.

This booklet also provides a list of CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO)'s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means CHRISTUS Health Medicare Advantage. When it refers to “plan” or “our plan,” it means CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under CHRISTUS Health Medicare Complete (HMO) & CHRISTUS Health Medicare Plus (HMO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 2/6/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling CVS Customer Care at 1-833-844-5351 or by modifying your automatic refills and renewals in your Caremark account (click “Pharmacy” from your CHRISTUS Health member portal (www.christushealthplan.org/member-portal)) and selecting My Prescriptions under the Prescriptions menu.

Typically, you should expect to receive your prescription drugs within 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at CVS Customer Care at 1-833-844-5351.
