Section 2 – List of Network Providers.....	1

Section 1 – Introduction

This directory provides a list of CHRISTUS Health Medicare Plus (HMO)’s network providers.

You will have to choose one of our network providers listed in this directory to be your **PPrimary CCare Provider (PCP)**. Generally, you must get your health care services from your PCP. The PCP you select will be your personal physician, who will get to know you and take care of all your medical needs. Your PCP will be responsible for coordinating all of your care, except in emergency or urgent care situation. Coordinating your care includes checking or consulting with other plan practitioners and providers about your care.

We recommend you choose a PCP close to your home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship with your PCP that much easier.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. CHRISTUS Health Medicare Advantage does not require referrals.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CHRISTUS Health Medicare Plus (HMO) will be responsible for the costs.

This directory also provides a list of CHRISTUS Health Medicare Plus (HMO)’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CHRISTUS Health Medicare Plus (HMO)’s formulary.

When this pharmacy directory refers to “we”, “us”, or “our”, it means CHRISTUS Health Medicare Advantage. When it refers to “plan”, or “our plan”, it means CHRISTUS Health Medicare Plus (HMO).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under CHRISTUS Health Medicare Plus (HMO) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 9/6/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Online Pharmacy. For more information, please contact us or visit www.express-scripts.com.
