## » Read instructions carefully before completing this form.

1. Always present your prescription drug ID card at the participating retail pharmacy.
2. Use this form when you have paid full price for a prescription drug at a retail pharmacy or need to submit claims under Coordination of Benefits rules.
3. **You must complete a separate claims form for each pharmacy used and for each patient.**
4. You must submit within 1 year of date of purchase or as required by your plan.
5. **Be sure your receipts are complete.** In order for your request to be processed, all receipts must contain the information listed at the top of this page. Your pharmacist can provide the necessary information if your claim or bill is not itemized.
6. The plan member should read the acknowledgment carefully, and then sign and date this form.
7. **Return the completed form and receipt(s) to:**  
Express Scripts  
ATTN: Commercial Claims  
P.O. Box 14711  
Lexington, KY 40512-4711
8. You may also **fax your claim form to: 608.741.5475.**

Please use one claim form per fax. Do not combine claims for different members in the same fax submission.

### Additional Coordination of Benefits Instructions

**Did another insurance pay for this claim?** You must first submit the claim to the primary insurance. If the primary plan is one in which a copayment or coinsurance

is paid at a retail pharmacy, complete the form, and attach the prescription receipt(s) that shows the copayment or coinsurance amount paid at the pharmacy.

### Is an Explanation of Benefits included?

Some plans require an explanation of benefits from your primary insurance. Once the statement from the primary plan is received from the primary carrier, attach the statement from the primary plan, which clearly indicates the cost of the prescription and what was paid by the primary plan. This does not replace the required receipt from the pharmacy.

### Is this a discount card claim?

Prescription claims are filled at a retail pharmacy using a rebate, coupon card, savings card, pharmacy discount plan, or GoodRx, etc. instead of using your prescription plan at the pharmacy. Discounts applied by an Express Scripts discount plan are not eligible for reimbursement.

### Prescription Drug Program or HMO Plans Retail pharmacies

If the primary plan is one in which a copayment or coinsurance is paid at a retail pharmacy, then no EOB is needed. Just complete this form and attach the prescription receipt(s) that shows the copayment or coinsurance amount paid at the pharmacy. The receipt(s) will serve as the EOB.

### Express Scripts® Pharmacy

If the primary plan is home delivery, complete this form and attach either the prescription receipt(s) that shows the copayment or coinsurance amount paid to the home delivery pharmacy or the statement of benefits you receive from the home delivery pharmacy.
