Formulario de Planes Individuales y Familiares 2026

Este formulario se actualize el 1 de octubre de 2025

**POR FAVOR, LEA: ESTE DOCUMENTO CONTIENE INFORMACIÓN
ACERCA DE LOS MEDICAMENTOS QUE CUBRIMOS EN ESTE PLAN**

Este formulario se actualizó el 1 de octubre de 2025. Para obtener información más reciente o para otras preguntas, comuníquese con Servicios para Miembros de CHRISTUS Health Plan al 1-844-282-3025 (los usuarios de TTY deben llamar al 711), de 8 a.m. a 5 p.m. (hora local), de lunes a viernes, o visite www.christushealthplan.org.

Nota para los miembros actuales: Este Formulario ha cambiado desde el año pasado. Por favor, revise este documento para asegurarse de que sigue conteniendo los medicamentos que usted toma.

Cuando esta "Lista de Medicamentos" (Formulario) se refiere a "nosotros", "nos" o "nuestro", se refiere a los planes CHRISTUS Health Plan.

Este documento incluye una "Lista de medicamentos" (formulario) para nuestro plan, vigente a partir del 1 de octubre de 2025. Para obtener una "Lista de medicamentos" (formulario) actualizada, por favor, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha cuando actualizamos por última vez la "Lista de medicamentos" (formulario), aparece en las páginas de la portada y la contraportada.

Por lo general, usted debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coseguros pueden cambiar el 1 de enero de 2026 y de vez en cuando durante el año.

¿Qué es el formulario de CHRISTUS Health Plan?

En este documento, usamos los términos "Lista de medicamentos" y formulario para referirnos a lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por CHRISTUS Health Plan en consulta con un equipo de proveedores del cuidado de la salud, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. El plan CHRISTUS Health generalmente cubrirá los medicamentos listados en nuestro formulario siempre y cuando el medicamento sea necesario desde el punto de vista médico, la receta se surta en una farmacia de la red de CHRISTUS Health Plan y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, por favor repase su Evidencia de cobertura.

Eficaz 1 de enero de 2025.

Formulario de CHRISTUS Health Plan 2026

Para obtener una lista completa de todos los medicamentos recetados cubiertos por CHRISTUS Health Plan, por favor visite nuestro sitio web o llámenos. Nuestra información de contacto, junto con la fecha en la que actualizamos el formulario por última vez, aparece en las páginas de la portada y la contraportada.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero el CHRISTUS Health Plan puede agregar o eliminar medicamentos en el formulario durante el año, puede moverlos a diferentes niveles de costos compartidos o puede agregar nuevas restricciones. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí:

<https://www.christushealthplan.org/member-resources/coverage/individual-family-plans/medications-covered>.

Cambios que pueden afectarlo este año: En los siguientes casos, usted se verá afectado por los cambios en la cobertura durante el año:

- **Sustituciones inmediatas de ciertas nuevas versiones de medicamentos de marca y productos biológicos originales.** Nosotros podríamos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una nueva versión determinada de ese medicamento que aparecerá en el mismo nivel o en un nivel más bajo de costo compartido y con las mismas o menos restricciones. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir si mantendremos el medicamento de marca o el producto biológico original en nuestro formulario, pero lo moveremos inmediatamente a un nivel diferente de costos compartidos o agregaremos nuevas restricciones.

Podemos hacer estos cambios inmediatos solo si estamos agregando una nueva versión genérica de un medicamento de marca, o si estamos agregando ciertas nuevas versiones biosimilares de un producto biológico original, que ya estaba en el formulario (por ejemplo, agregando un biosimilar intercambiable que puede ser sustituido por un producto biológico original por una farmacia sin una nueva receta).

Si actualmente está tomando el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero más adelante le proporcionaremos información sobre los cambios específicos que hayamos realizado.

Si hacemos un cambio de este tipo, usted o su médico pueden pedirnos que hagamos una excepción y que continuemos cubriendo el medicamento que se está cambiando. Para obtener más información, consulte la sección a continuación titulada "¿Cómo solicito una excepción al formulario de CHRISTUS Health Plan?"

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada "¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?"

Eficaz 1 de enero de 2025.

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento a la venta o si la Administración de Alimentos y Medicamentos (FDA, en inglés) determina que se retira por razones de seguridad o eficacia, podemos eliminar inmediatamente el medicamento de nuestro formulario y más tarde notificaremos a los miembros que toman ese medicamento.
- **Otros cambios.** Es posible que hagamos otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podríamos eliminar un medicamento de marca del formulario al agregar un equivalente genérico o eliminar un producto biológico original al agregar un biosimilar. También podríamos aplicar nuevas restricciones al medicamento de marca o al producto biológico original, o moverlo a un nivel de costo compartido diferente, o ambos. Podríamos hacer cambios en base a las nuevas directrices clínicas. Si hacemos estos otros cambios, usted o su médico pueden pedirnos que hagamos una excepción y que continuemos cubriendo el medicamento que ha estado tomando. El aviso que le daremos también incluirá información sobre cómo solicitar una excepción y también puede encontrar información en la sección a continuación titulada "¿Cómo solicito una excepción al Formulario de CHRISTUS Health Plan?"

Cambios que no lo afectarán si actualmente está tomando el medicamento. Por lo general, si está tomando un medicamento en nuestro formulario de 2026 que estaba cubierto a principios de año, no suspenderemos ni reduciremos la cobertura del medicamento durante el año de cobertura de 2026, excepto como se describió anteriormente. Esto significa que estos medicamentos seguirán estando disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. Usted no recibirá este año ninguna notificación directa sobre cambios que no lo afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios le afectarían y es importante revisar el formulario para el nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto está actualizado a partir del 1 de octubre de 2025. Para obtener información actualizada sobre los medicamentos cubiertos por CHRISTUS Health Plan, por favor comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

¿Cómo utilizo el Formulario?

Hay dos maneras de encontrar su medicamento en el formulario:

Condición médica

El formulario comienza en la página 3. Los medicamentos de este formulario se agrupan en categorías según el tipo de condición médica para la que se utilizan. Por ejemplo, los medicamentos que se utilizan para tratar una condición del corazón se listan en la categoría de Terapia Antihipertensiva. Si usted sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. A continuación, busque su medicamento bajo el nombre de la categoría.

Lista por orden alfabético

Si no está seguro de en qué categoría buscar, busque su medicamento en el Índice que comienza en la página 75. El Índice le da una lista alfabética de todos los medicamentos que se incluyen en este documento. Tanto los medicamentos de marca como los genéricos aparecen en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Diríjase a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

CHRISTUS Health Plan cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por la FDA por tener el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien y suelen costar menos que los medicamentos de marca. Hay sustitutos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden ser sustituidos por el medicamento de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Ya que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se llaman biosimilares. Por lo general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, dependiendo de las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una receta nueva, del mismo modo que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** CHRISTUS Health Plan requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de CHRISTUS Health Plan antes de surtir sus recetas. Si no obtiene la aprobación, es posible que CHRISTUS Health Plan no cubra el medicamento.
- **Límites en la cantidad:** Para ciertos medicamentos, CHRISTUS Health Plan limita la cantidad del medicamento que CHRISTUS Health Plan cubrirá. Por ejemplo, CHRISTUS Health Plan concede 10 tabletas por receta de 30 días para un medicamento específico. Esto puede ser adicional al suministro regular de un mes o tres meses.
- **Terapia de pasos (también conocida como terapia escalonada):** En algunos casos, CHRISTUS Health Plan requiere que primero pruebe ciertos medicamentos para tratar su condición médica.

Formulario de CHRISTUS Health Plan 2026

antes de que cubramos otro medicamento para esa condición. Por ejemplo, si el Medicamento A y el Medicamento B tratan su condición médica, es posible que CHRISTUS Health Plan no cubra el Medicamento B a menos que pruebe primero el Medicamento A. Si el medicamento A no le hace efecto, CHRISTUS Health Plan cubrirá entonces el medicamento B.

Usted puede averiguar si su medicamento tiene algún requisito o límite adicional buscando en el formulario que comienza en la página 3. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de la terapia a pasos. Usted también puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en la que actualizamos el formulario por última vez, aparece en las páginas de la portada y la contraportada.

Usted puede pedirle a CHRISTUS Health Plan que haga una excepción a estas restricciones o límites o que le de una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección "¿Cómo solicito una excepción al formulario de CHRISTUS Health Plan?" en la página vi para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para Miembros y preguntar si su medicamento está cubierto.

Si se entera de que CHRISTUS Health Plan no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para Miembros una lista de medicamentos similares que estén cubiertos por CHRISTUS Health Plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por CHRISTUS Health Plan.
- Puede pedirle a CHRISTUS Health Plan que haga una excepción y cubra su medicamento. Vea la información a continuación sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de CHRISTUS Health Plan?

Usted puede pedirle a CHRISTUS Health Plan que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y no podrá pedirnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede pedirnos que eliminemos una restricción de cobertura, incluyendo la autorización previa, la terapia de pasos o el límite a la cantidad de su medicamento. Por ejemplo, para ciertos medicamentos, CHRISTUS Health Plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que no apliquemos el límite y cubramos una cantidad mayor.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo.

Formulario de CHRISTUS Health Plan 2026

Por lo general, CHRISTUS Health Plan solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o la aplicación de la restricción no serían tan efectivos para usted y/o le causarían efectos adversos.

Usted o el médico que le receta el medicamento debe comunicarse con nosotros para solicitar un cambio del nivel o una excepción al formulario, incluyendo una excepción a una restricción de la cobertura.

Cuando solicite una excepción, el médico que le receta el medicamento deberá explicar las razones médicas por las que necesita la excepción. Por lo general, debemos tomar nuestra decisión dentro de las 72 horas luego de recibir la declaración de respaldo del médico que le receta el medicamento. Usted puede solicitar una decisión acelerada (rápida) si usted cree, y nosotros estamos de acuerdo, que su salud podría verse seriamente perjudicada si espera hasta 72 horas para recibir una decisión. Si estamos de acuerdo o si el médico que le receta el medicamento solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de recibir la declaración de respaldo del médico que le receta el medicamento.
